

ANNEX – TABLE OF ALL UK SANCTIONS IN 2025 ADDRESSING RUSSIA-UKRAINE CONFLICT

The table below sets out a list of all UK sanctions designations made in 2025 that address the conflict in Russia and Ukraine, organised across the following categories:

- **Political Officials and Affiliates** – including senior political leaders in Russia and North Korea;
- **Military Supply Chain** – including suppliers and importers of military equipment, as well as those designated for their role in the use of chemical weapons;
- **Cyber and Information Warfare** – including those linked to cyber-crime and disinformation networks, as well as the supply of communications equipment;
- **Priority Industries** – including oil, nuclear, energy, and extractives;
- **Enablers and Intermediaries** – including financial services firms and suppliers/exporters of advanced technology and other key goods; and
- **Shadow Fleet** – the various ships comprising Russia’s ‘shadow fleet’, responsible for transporting Russian oil and evading existing sanctions.

Key designations are highlighted in **grey**. The list is accurate as of **17 July 2025**.
