Dear Special Rapporteur de Greiff,

Re: Letter to the Government of Chad on the non-implementation of reparation judgment

On behalf of the Association Tchadienne pour la Promotion et la Défense des Droits de l'Homme (ATPDH), the Association des Victimes des Crimes du Régime de Hissène Habré (AVCRHH), the International Commission of Jurists (ICJ) and REDRESS, we have the honor to transmit to you a letter from Maître Jacqueline Moudeïna, lawyer for the victims of Hissène Habré, concerning the failure of the Chadian government to abide by a Chadian court decision to provide reparations to Hissène Habré's victims, including compensation and measures of satisfaction.

Also enclosed are the Chadian court's decision dated 25 March 2015 and a letter sent by Maître Moudeïna to the Prime Minister of Chad dated 16 February 2017.

We believe that your mandate is ideally placed to assist victims in this case and we urge you to raise the need for implementation of the reparation awards with the Chadian government.

We note that some media has reported about Maître Moudeïna's letter prior to us being able to send it to you. We apologise for any inconvenience caused.

Please do not hesitate to contact us should you require any further information.

Sincerely,

Jacqueline Moudeïna, ATPDH

Clement Abaifouta, AVCRHH
